Correct POST OFFICE NAMES**

**Issued by authority of the  
POSTMASTER GENERAL**

3 1761 11708537 3

**WINNIPEG, MAN.,  
JANUARY 1959.**

*To facilitate the delivery of mail, the larger cities in Canada have been divided into Postal Zones.*

*The Postal Zone should be included in the address of all mail for Vancouver, Winnipeg, Toronto, Ottawa, Montreal and Quebec.*

*The Postal Zones in which streets in the Winnipeg Postal Area are located are shown in this booklet. If you have correspondents in the other cities named above, you should obtain their Postal Zone from them and include it in their address.*

*Your co-operation will be appreciated.*

**G. A. FOORD,  
Postmaster.**

## WINNIPEG POSTAL AREA DIRECTORY

1. To facilitate the handling of mail for delivery through the Winnipeg Post Office, the Letter Carrier Delivery area has been divided into ZONES.
2. The Postal Zone should be added immediately after 'Winnipeg' when addressing mail to an address in a zone designated by a number, that is street, number and Winnipeg 1, Manitoba.
3. In cases of separate municipalities, the name of the municipality may be used, e.g.  
204 Amherst St.,  
St. James,  
Winnipeg, Manitoba.  
or simply the zone number, e.g.  
204 Amherst St.,  
Winnipeg 12, Manitoba.
4. The *full street and number* must be included in the address, otherwise delayed delivery or non-delivery may result.
5. The word 'City' should not be used in addressing mail, but rather 'Winnipeg'.
6. A Post Office box number with the full name of the Post Office in which it is located, is considered to be a complete address.
